
Joseph Emmanuel Atteen

Frontend Developer

+233 20 911 9731

joe Yates@gmail.com

PROFILE

An active learner with about two years experience as a hobbyist programmer, and three months as a frontend developer, with only one practical project under my belt. I'm able to understand and implement viable new technologies. I am very meticulous, have a keen eye for detail and I have excellent command of spoken and written English.

PROJECTS

- My Portfolio Website

<https://joeatteen.netlify.app>

A website that has information about me and projects I've done so far.

SKILLS

- Very proficient in HTML and CSS.
- Beginner level in JavaScript.
- Intermediate level in Python.

EXPERIENCE

None yet.
