PROJECTS

PORTFOLIO WEBSITE
A website developed with HTML, CSS, JavaScript and jQuery. Contains a demo of all built projects and a GitHub link as well. Kindly find the link in the header above.

INCOME & EXPENSE TRACKER
A web app developed with React and Redux. I used redux persist to get the transaction history data to be persistent.

TIMERROLL
An interesting dice game built with HTML, CSS and vanilla JavaScript.

ONLINE SHOPPING SITE

A static website developed with Bootstrap.

CALENDLY

Calendly's website reproduced with React and CSS. Goal of this exercise was to get to grips with building UIs.
